ABOUT CHEVENING

WHAT IS CHEVENING?

Chevening is the UK government's international awards scheme aimed at developing global leaders.

Funded by the Foreign and Commonwealth Office (FCO) and partner organisations, Chevening offers two types of award – Chevening Scholarships and Chevening Fellowships – the recipients of which are personally selected by British Embassies and High Commissions throughout the world.

Chevening offers a unique opportunity for future leaders, influencers, and decision-makers from all over the world to develop professionally and academically, network extensively, experience UK culture, and build lasting positive relationships with the UK.

Chevening Scholarships

Chevening Scholarships are offered in over 160 countries and territories and are awarded to outstanding future leaders to pursue a one-year Master's degree in any subject and at any UK university.

Chevening Fellowships

Chevening Fellowships are offered to mid-career professionals who have

reached a position of influence, and want to increase their knowledge, networks, and potential through tailored short courses at UK universities.

Chevening Partnerships

Chevening Awards are funded primarily by the Foreign and Commonwealth Office, with support from our partners. Partnerships are strategic relationships with like-minded organisations that enable Chevening to increase the number of awards offered.

Chevening Alumni

Chevening has been running since 1983 and Chevening Alumni form the backbone of the scheme, enabling the Foreign and Commonwealth Office to cultivate lasting positive relationships with past recipients of Chevening Awards.

Numbering 44,000 worldwide, Chevening Alumni constitute an influential and highly regarded global network. They have an excellent record of rising to positions of leadership across a wide range of fields including politics, business, the media, civil society, law, and academia.
