HUB1014S - ANATOMY FOR COMMUNICATION SCIENCES

20 NQF credits at NQF level 5

Convener: K Mpolokeng and A Baliso

Course entry requirements: None

Course outline:

This course gives an overview of the anatomy relevant to the practice of the communication sciences. It covers the morphological anatomy of the head and neck and relevant parts of the thorax, neuro-anatomy, and the areas of embryology relating to these subjects. The course consists of five lectures and one practical per week for one semester. The practical involves the examination of pre-dissected specimens of the related body parts.

DP requirements: ~~Completion of all coursework by the due dates.~~

New: Attendance of and participation in all lectures, practical sessions, workshops and tutorials, and submission of assignments by the due date.

Assessment: ~~Continuous assessment involves written and practical tests. The in-course assessments carry 45% of the marks and the final written and practical examinations the remaining 55%.~~

New: The course comprises written and ongoing practical assessments, which make up 45% of the course mark. The other 55% comprises marks for the final written and practical exams.
